THERE'S AN OLD DOMINION EXPERIENCE FOR EVERYONE

FEBRUARY 2023

FACILITATORS

Lani Newcomb did her first endurance ride, the Old Dominion 100, at age 16 because she didn't know any better. She had such a good time she's still at it more than 40 years and 8900 miles later. She says she's still trying to get it right. Also, she has 4000 ride and tie miles, which is the most fun thing ever. You can reach Lani at: give2bute@aol.com

Teri Carroll fell in love with Endurance when she volunteered at an Old Dominion Ride as a teenager. Since then, she has trained, competed, volunteered, crewed, mentored and any other thing a person can do to be a part of this wonderful sport. Teri has 1825 Endurance miles and 125 LD miles. You can reach Teri at: tericarroll6735@gmail.com

Diane Connolly did her first endurance ride in 2002. She now has 4600 total miles of competition. She is also the ride manager for the No Frills ride in April and Old Dominion 100 in June due to her amazing organizational skills! The Old Dominion is lucky to have her. You can reach Diane at: dconnolly24@gmail.com

FACILITATORS

Dave Franklin has been riding horses since he was 7 years old when he started out with a cantankerous old pony. For the past 50 years he just hasn't been able to get enough. He has been involved with other disciplines but thought endurance would be fun to try. When he moved to his current farm, which just happens to be a couple of miles from Bob Walsh and Teri Carroll, the opportunity became available. All it took was going to one ride and the rest, as they say, is history. Dave got the surprise of his life when, in 2019, he bought a raffle ticket that will change the course of his endurance history. He was fortunate enough to become the proud owner of the Asgard Arabian mare, Truthful. Together Truu and Dave are accomplishing great things. In 2022, they earned not one but two BC awards and a high vet score as well.

Janice Heltibridle has been competing in Ride and Tie since 1994 and is closing in on 6000 total competitive miles participating in events anywhere from 5 to 100 miles. She has always been a runner, but didn't start ultra-runs until after she did her first ride & tie. Janice has also competed in a few endurance rides over the years from LDs to 50s, but her main passion is R&T. She and her team were the first ever to complete the Old Dominion 100 as a Ride and Tie team.

Sonja Knecht-Hoshi is a more recent addition to the sport of endurance riding. She started with her first Competitive Trail Ride in 2014. She now has over 1,000 ECTRA miles. She also has 805 LD miles and 355 Endurance miles. She hopes to ride a 100 someday. You can reach Sonja at: pikkachan@verizon.net.
